

PAUL SENSECALL • FREELANCE MEDICAL EDITOR

“ Paul’s work is always first class. His attention to detail is excellent, and he can always be relied upon to stick to strict deadlines and still deliver work to a high standard. ”

— C. Saxton, Senior Editor, Cambridge University Press

Summary

British Freelance Medical Editor with over 30 years’ experience in copy-editing and proofreading material to the highest standard for a range of medical and healthcare communications materials: scientific papers, books, presentations, abstracts, posters, multimedia, and print items. My aim: to help clients communicate with clarity in the written word.

Qualifications and Professional Membership

BSc (Hons) Food Science & Nutrition / Environmental Biology, Oxford-Brookes University, Oxford, UK
Advanced Professional Member of the Chartered Institute of Editing and Proofreading (CIEP), London, UK

Employment

1996–present: Freelance Editor at PS Editorial Services, Wells, UK
1992–1996: Journal Production Editor at Elsevier Science, Oxford, UK

Clients and References

Previous and current clients: UN (FAO), Royal Society of Chemistry, BMJ, British Psychological Society, Oxford Pharmagenesis, Havas Lynx, IPG Health Medical Communications, TVF, Elsevier Science, Wiley, Oxford University Press. Details of references from clients are available on request, and my LinkedIn profile (below) lists excellent testimonials from individuals and companies.
