

Gabrielle Chambers Proofreading

Proofreading specialist for Christianity, biological sciences and technical documents

- proofreading non-fiction
- editing non-fiction
- proof-editing fiction
- formatting
- references
- plain English

Professional Member

“ Gabrielle completed a PDF proofread for me that required a quick turnaround. Her corrections were easy to follow and she had obviously thought carefully about them and their ramifications. There were technical aspects ... [she] ... identified a significant issue. I ... have no hesitation recommending her proofreading service. ”

Hazel Bird, CIEP Advanced Professional Member, Wordstitch Editorial
