Institute of  
Editing and  
Proofreading

## **Editorial professionals at your fingertips**

The CIEP is a non-profit body promoting excellence in English language editing.

We set and demonstrate editorial standards and provide training for editors and proofreaders.

Our 2,500+ members are the people who work to make text accurate, clear and fit for purpose.

Every member is bound by the CIEP Membership Codes, meaning you can advertise with confidence.
